FULL SYNT

Xtreme C3 ECO SYNT is a complete range of lubricants based on the LOW SAPS (Low Sulphated Ash, Phosphorus and Sulphur) technology. It respects the international environmental laws that request a reduction in the polluting emissions in the atmosphere. These lubricants have been especially formulated to be compatible with post-treatment systems, including Diesel Particulate Filters.

Xtreme C3 ECO SYNT 全系列是基于 LOW SAPS (Low Sulphated Ash, Phosphorus and Sulphur 低硫酸盐灰分, 低磷和低硫) 技术的润滑油。同时符合国际环境法规中减少空气污染排放量的相关规定。这些润滑油都经过了专门的处理以满足符合后处理系统, 包括粒子过滤器。
